IT'S EASIER BEING GREEN

Shop smart with sweet products that are Earth — and wallet — friendly

From eco-friendly cleaning supplies to pet toys made of recycled materials, there's a green option for almost anything you want to buy. And as more and more companies jump on the green bandwagon, prices are lower than ever. Do yourself, your family and the planet a favor — swap in some do-gooder goods. *Nicole Carter and Leah Chernikoff*
